**SIG** *DISTRIBUTION*  
RETROFIT SYSTEM SUPPORT

# WELCOME

SIG Retrofit System Support understands the issues that installing companies face when attempting to source approved installation systems in small quantities. SIG provides end to end support from the supply of systems to training, approval, technical support and product know-how.

SIG Retrofit is a support service to SIG Distribution, who are one of the leading distributors of specialist building materials within Europe.

Focused on overseeing and managing the supply of SIG's branded insulation systems SIG Retrofit has been helping installing companies become accredited to install our BBA (British Board of Agrément) approved systems since 2010.

In this time, we have forged a reputation for reliability and credibility, growing our installer network nationwide.

Although referred to as SIG Retrofit, our team also supports a network of approved installers in the installation of CWI into the new build market. We can therefore provide you with all the insulation systems you require.

**“INTRODUCING SIG RETROFIT**  
...here to help you become an  
approved installing company.”

### **SPEAK TO SIG RETROFIT**

The Experts in Cavity Wall Insulation

At SIG Retrofit we pride ourselves on the high standards of professionalism which are available to you by simply contacting...

**T: 0330 123 1811**

**E: [retrofit@sigplc.com](mailto:retrofit@sigplc.com)**

We utilise years of industry knowledge and experience, ensuring that we provide a swift and comprehensive response by connecting you with the most suitable person, business or information, making SIG Retrofit, easy to do business with.

Our unrivalled Technical Support which is underpinned by the most relevant quality certifications and memberships has helped us build our network of approved installing companies. At SIG Retrofit we work with the leading manufacturers and associations to make sure we can be the trusted and reliable supplier of Cavity Wall Insulation Systems.

# WE PUT THE INSTALLING COMPANY FIRST

**We are here to support you whatever your requirement, be it a single pallet or a full load.**

Our insulation systems can be delivered exactly where and when you need them. With access to an extensive range of commercial vehicles nationwide, we offer a number of logistic solutions to meet your requirements.

In addition, if required you can collect from one of our nationwide sales offices.

Talk to the SIG Retrofit team to become part of our installer network. Contact us on...
